Emerging growth company

If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 8.01 Other Events

On December 6, 2021, the Company announced a strategic decision to prioritize the development of its lead program TTP399, a novel, oral, liver-selective glucokinase activator. This decision includes a reduction in the Company's workforce affecting approximately 65% of its employees and the Company expects to incur severance costs of approximately \$1.5 million. In addition, the Company expects these actions to result in annualized cost savings of approximately \$2.8 million. Some of these reductions may be offset by higher costs for outsourced services which cannot be quantified at this time.
